

Week 12 3rd Law

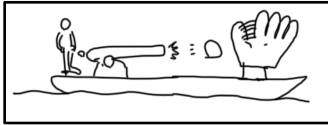

6 3rd Law Conundrums A

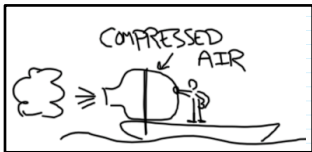

Situation 1.
You hang a large magnet in front of the boat to attract it forward.

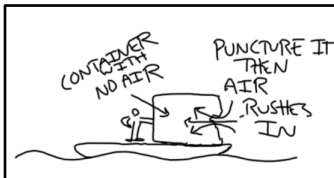

Situation 2.
You fire a cannonball off of the boat.

Situation 3.
A cannonball is fired from on the boat into a big glove also on the boat.

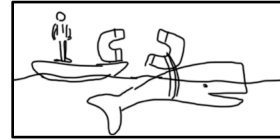

Situation 4.
You attach a large tank of compressed air to your boat, and release the air.

Situation 5.
You attach a large tank which has all the air pumped out. You then puncture it and air rushes in.

Week 12 3rd Law
